Universal Stoneseal

Premium Water Based Surface Sealer

UNIVERSAL STONESEAL is a premium water based acrylic surface sealer designed to give a satin gloss finish on most masonry surfaces. Also suitable for internal, external, domestic or commercial surfaces and will protect staining from most common spills.

- Do not seal under 10°C or over 30°C.
- Always wear Personal Protective Equipment (PPE) – A minimum requirement of Safety Glasses, Gloves & Boots. Damage to clothing may occur.
- Apply 2-3 thin coats of **UNIVERSAL STONESEAL** to a clean dry surface with an **ENVIRONEX LAMBSWOOL APPLICATOR** or **ENVIRONEX VITON SEAL SPRAYER**.
- Coverage approximately 10m² per Litre per coat. The number of coats and coverage depend on the porosity of the surface and the finished look (Satin to Gloss).
- Only use **REFRESH** pH neutral detergent for daily or weekly maintenance.
- Always test first.
