CONCRETE TRANSFORMATIONS

CHARCOAL TINT

CONCRETE TRANSFORMATIONS — CHARCOAL TINT is designed to give tired old paving or concrete a new lease of life.

Simply add 1700 g of **CHARCOAL TINT** to a 20 litre drum of **ENDURE** or **PRESTIGE SURFACE SEALER**, stir well and apply with an **ENVIRONEX LAMBSWOOL APPLICATOR** and see the difference. Minimum 2 coats. See label for further instructions.

Always test first.
