

USAGE GUIDE

Stain-Proof® sealers are formulated using a unique sealing technology – our sealer molecules are approximately 400+ times smaller than other impregnators and penetrate much further into the pores to form a deeper water and oil repellent barrier, providing optimum protection to surfaces such as natural stone, bricks, pavers, tiles, engineering concrete and grout.

 WATERBORNE DENSE STONE SEALER PREVIOUSLY KNOWN AS META CREME™	 PREMIUM WATERBORNE IMPREGNATING SEALER PREVIOUSLY KNOWN AS STAIN-PROOF WATERBORNE™	 WATERBASED PENETRATING SEALER PREVIOUSLY KNOWN AS STAIN REPELLA™
