Environex International

Batch No: \_\_\_\_\_

**SAPPHIRE** is a blend of acids and nonionic surfactants designed to remove stubborn stains such as red dirt, post building cleanup, scale removal and showers etc. from hard surfaces such as masonry, ceramics, porcelain and glass. Do not use on concrete paving.

**APPLICATION:**  
**SHOWER SCREENS AND TILES:** Apply liberally, wait several minutes and rub lightly with a soft scouring pad. Rinse off with clean water.  
**TOILET BOWLS:** Apply around toilet rim and rub with toilet brush or soft scourer.  
**URINALS:** Pour liberally over urinal, scrub with brush or soft scourer before flushing.  
**FLOORS:** Apply **SAPPHIRE** diluted to 1:20 with hot water and apply to stains, allow to stand for 5-10 minutes, lightly scrub with an **ENVIRONEX EAGER BEAVER** (avoid scratching) and then rinse. Always test first.

### MATERIAL & FUNCTION

**SAPPHIRE** is a blend of acids and nonionic surfactants designed to remove soap scum, water staining and dullness from hard surfaces such as stainless steel, ceramics, porcelain and glass. It will remove stains, effectively control uric acid deposits and brighten steel and porcelain surfaces while not affecting septic systems. **SAPPHIRE** is completely biodegradable.

### APPEARANCE

**SAPPHIRE** is a clear, viscous, light blue liquid with a fresh floral fragrance.

### APPLICATIONS

**SAPPHIRE** can be used to clean many surfaces such as toilet bowls, urinals, shower screens, chemical toilets, baths and washroom basins, ceramic tiles and washroom floors.

Apply **SAPPHIRE** undiluted to toilet bowls, baths and shower screens etc, allow to stand for a few minutes, worked with a brush or soft scouring pad (avoid scratching) and then rinsed clean. For badly soiled toilet bowls, pour 50 mls of **SAPPHIRE** into

the toilet and allow to sit in the bowl overnight. Flooring may be mopped with a solution of 50 mls of **SAPPHIRE** added to a 10L bucket of hot water.

## **PACKAGING**

1, 5, 15 & 200 Litre containers.

## **IMPORTANT NOTICE TO CUSTOMER**

Since the use of this product is beyond the control of either seller or manufacturer, their only obligation shall be to replace any quantity of product which is proven defective. They cannot assume any risk or liability in excess of the purchase price of the product itself, which does not include labour or any consequential damages resulting from the use of this product.
