

MULTI INSECT KILLER

High Performance
Odourless

Fast Knockdown

KILLS:

Can control both flying insects and crawling insects with one short spray in the direction of the flying insect and directly on the crawling insect for fast knockdown and quick kill, plus can also be used as complete room treatment.

HIGH PERFORMANCE ODOURLESS MULTI-INSECT KILLER

HOW TO USE

Shake can well before using.

TO KILL FLYING INSECTS: One short spray in the direction of the flying insect is adequate for fast knockdown and quick kill. For complete treatment of average sized room: Close all doors and windows then spray high in the air for 4-5 seconds. The product begins to act immediately on contact with insects.

TO KILL CRAWLING INSECTS: Spray directly on the insect.

Approved by the Australian Government Authority, Australian Pet & Veterinary Medicine Association (APVMA). Recyclable. Contact Dy-Mark on 1300 396 275 for more information.
