## POWERFUL & FLEXIBLE PROTECTION

Guardia is tear resistant, waterproof, breathable and flexible mat that has an anti slip self adhesive coating on the bottom that keeps it in place.

## EASY MULTI USE MAT

Simply roll it out, overlap it and bend it around corners, frames, baseboards, and more and then you can focus on simply getting the job done.

Use it on a variety of surfaces such as ceramic, natural stone, hardwood, stairs, counters, tables, furniture and much more.

## SAVES TIME, MONEY AND THE ENVIRONMENT

Since it is quick to install, requires no tape to connect overlaps and is reusable, it saves you time and money.

Also, thanks to its 100% recycled and pollutant-free production, it is environmentally friendly and thermally disposable
